Bug Report for Test Case 1

May 19, 2023

Description:

The "See All Bots" button does not display all bots in the database.

Steps to preproduce:

1. Open the app from "*URL*"
2. Click the get all bots button.

Expected Result:

All bots from the database were supposed to be displayed on the screen after pressing the "See All Bots" button.

Actual Result:

No bots were displayed and the console logged a 9.

Environment:

- Windows 10 Home 22H2 19045.2965
- Chrome Version 113.0.5672.127
